

The map is a technical drawing of a river area, specifically the Grande Ronde River. It is overlaid with a grid with major lines labeled 32, 33, 4, and 5. The river is shown in two channels: a 'NEW CHANNEL' at the top and an 'OLD CHANNEL' on the left. Key features include 'DIV. PT.' (Division Point) at several locations, 'PUMP' stations, and a 'WELL'. Elevation markers are provided at various points, such as 2020', 1250', 1840', 830', 1340', 2660', and 2870'. The map is divided into sections with various numerical labels, including 236, 348, 376, 312, 360, 161, 368, 400, 402, 161, 372, 372, 256, 392, 408, 548, 305, 305, 261, 81, 81, 62, 7.25, 7.35, L2, L1, L4, L3, L2, L1, and 5. The map is oriented with North at the top.
