

A hand-drawn map of a property, likely a survey or planning document. The map is divided into sections by a grid of lines. The top section is labeled with lot numbers: 20, 21, 29, and 28. Below these numbers, there are vertical arrows pointing downwards, with dimensions 400' and 130' indicated. A horizontal line runs across the top, labeled 'Rd.' (Road). Below the road, there are two wells labeled 'Well #1' and 'Well #2'. Well #1 is located 1720' from the road, and Well #2 is located 1660' from the road. A curved line represents a stream, labeled 'Unn. Stream'. A small circle labeled 'Res.' (Reservoir) is located near the stream. The bottom section is divided into two lots, labeled 'Lot 1' and 'Lot 2'. The map is drawn on a grid of lines, with a dashed line running horizontally across the bottom. The overall layout suggests a property with various features and dimensions.

Application No. ^{G-3258}~~R-41529~~ Permit No. ^{G-3110}~~R-4676~~
