

Hand-drawn map of Smith DLC.47. The map is overlaid on a grid with horizontal lines labeled 29 23 and 29 24, and vertical lines labeled L2, L3, L4, and L5. A hatched area represents the 'UNN. DRAINAGE' region. A 'PUMP' is located within this area, with an arrow pointing to it labeled 'SPIN'. A 'RES.' (Reservoir) is located to the right of the hatched area. A 'B.C.' (Boundary Control) point is marked on the left side of the hatched area. A 'STONE' is marked on the bottom left. A 'UNNAMED STREAM' is labeled at the top. Other labels include '42', '14', '43', '63', 'HO.', and 'UNN. DRAINAGE'.
