

Note:
 Underlined Figures indicate approximate
 elevations above an assumed base

I, Dexter E. Milne, of Oregon City, Oregon, certify that this map was made from notes of an actual field survey made by me in September, 1951. The reference pipes are 1" x 72", projecting 12" above ground surface and at the distances shown above from the 1/4 corner on the east line of section 13, T.43, R.3E, W.M.
