MAP
of

BASIN DITCH

Nancy M. Ford, Appropriator

Scale - $\frac{1}{2}$ inch = 1 Mile. Surveyed Nov. 10, 1916

Certificate of Surveyor.

I, Wm. Ford of Dayville, Oregon, do hereby certify that this map was made from notes taken during an actual survey made by me on Nov. 10, 1916, and that it correctly represents the works described in the accompanying application together with the location of the ditch and water rights in the immediate vicinity and that I have signed the same in each smaller figure subdivision which is proposed to irrigate.

W. M. Ford
Surveyor.

Length of ditch - 1.75 Miles

Width of ditch - 18" on bottom, 36" on top

Depth of water - 12"

Estimate of cost - \$600.00

Area to be irrigated - 160 Acres

Amount of water appropriated - 2 cfs.
