I S.B. Cathcart of Marshfield Oregon do hereby certify that this map was made from field notes taken during an actual survey made by me May 19<sup>th</sup> 1923. and that it correctly represents the position of the diverting point of the water from a small unnamed stream a tributary of Isthmus Slough. Said point is situated as follows, in the N.E. 1/4 of of the S.E. 1/4 of Sec. 2 T. 26S. R. 13W. Willamette Meridian, and from which point the 1/4 Sec. corner between sections 1 & 2 said Township and range bears N57°43'E. 5.16 chains. The dotted line shows approximately where the pipe line will run, but was not actually surveyed.
