

RECEIVED
DEC 12 1994
WATER RESOUR
SALEM, OREGON

12/8/94

Jackson
2683 Scotts Valley Rd
Yoncalla, OR 97499

The aerial photograph was taken in 1990. The pond lies within the circle.* Because the pond is small it is difficult to see, therefore, also enclosed is a 1992 photograph of it.

The pond was built in the 1950's

*The Watermaster of District #15 circled -> the pond on the aerial map.

Thank you

Don L Jackson
