

I, Garfield Stubblefield, of Portland, Oregon, do hereby certify that the Irrigable Area portion of this map was made from notes taken during an actual survey, made by me during July and August, 1929, and that the upper portion of the Juntura Investment Co. Ditch is taken from the State Engineers Adjudication Survey Map "June 1913," and that this map correctly represents the works described in the accompanying application, together with the location of streams, and other ditches in the immediate vicinity.
