A hand-drawn map on a grid background. A solid line labeled 'SILVER CREEK' flows from the top left towards the top right. A dashed line runs horizontally across the middle. A solid line labeled 'USFS 43 RD.' enters from the bottom left and turns right. Another solid line labeled 'USFS 41 ROAD' enters from the bottom, crosses the horizontal dashed line, and turns right. A third solid line enters from the top right, crosses the horizontal dashed line, and turns left. A point on this line is labeled 'Fawn Spring'. Below it, a line is labeled 'Livestock Trough'. Further down and to the right is a point labeled 'Moco Spring'. A vertical line on the right side is labeled '2585'' and has a small circle at its base. A large number '20' is in the center. An arrow points left from the top left. A line labeled '110' extends from 'Moco Spring' to the right edge.
