

A hand-drawn map of a section of the Colorado River, oriented with North at the top. The map is overlaid with a grid. Key features include:

- Waterways:** The Colorado River (CR) flows from the top left towards the bottom right. A tributary, West Eagle Creek, joins the river from the north. Another tributary, Glendinning Creek, joins from the west. A dashed line represents the boundary of the West Eagle National Forest.
- Landmarks:**
 - POB Below Spring:** A point marked with a circle and labeled "POB Below Spring" is located on the river.
 - Settling House:** A point marked with a circle and labeled "Settling House" is located on the river.
 - House:** A point marked with a circle and labeled "House" is located on the river.
 - FS Road:** A road labeled "FS Road" branches off the river and extends towards the top right.
- Grid and Coordinates:**
 - The grid has vertical lines labeled "20" and "29" on the left side, and "21" and "28" on the right side.
 - The horizontal lines are labeled "GLDNING CR." on the left and "EAGLE CR." on the right.
- Other Features:**
 - A dashed line runs vertically through the center of the map, labeled "WEST EAGLE N. FOREST" on the right side.
 - A dashed line runs horizontally across the middle of the map, labeled "GLDNING CR." on the left side.
 - A dashed line runs diagonally from the top right towards the bottom left, labeled "EAGLE CR." on the right side.
