Section 19, T.37S., R.5W., W.M.

The purpose of this transfer application is to transfer the places of use and the diversion points, as shown on Sheet 2 of 2, to the proposed place of use and the proposed appropriation points, as shown on Sheet 1 of 2, and to change the use from irrigation to industrial use.

This plat was prepared for the purpose of identifying the location of the water right only. There is no intent to provide dimensions or locations of property ownership lines.

The place of use shown was digitized from aerial photos dated April, 1986 and June, 1995. The area is subject to any error which may be disclosed by an actual on-site survey.
