

Proposed Instream Water Rights

North Fork Ecola Creek

The map shows the North Fork Ecola Creek flowing from the north towards the coast. Key locations marked include Cannon Beach Jct., Cannon Beach, and Cape Falcon. A specific location on the creek is circled and labeled "site" with an arrow pointing to it. The map also shows various creeks and rivers, including Necanicum Cr., Klookchie Cr., and others. The title "Proposed Instream Water Rights" is prominently displayed at the top.
