

Application No. R-85037
Permit No. R-13353

 $1'' = 2000'$

Hand-drawn map of a land survey area, likely a ranch or farm, showing various features and dimensions. The map is oriented with North at the top. A scale bar at the top indicates 1" = 2000'. The map is divided into several sections by lines, with dimensions marked in feet. Key features include:

- Top Section:** A horizontal line with dimensions 12.82, 13.90, 13.94, 13.18, 12.82, 12.72, 12.83, 13.14, 13.40, 13.87, 14.07, 14.48, 14.88. Below this line are labels for "LOT 4", "LOT 3", "LOT 2", "LOT 1", "LOT 4", "LOT 3", "LOT 2", "LOT 1", "LOT 4", "LOT 3", "LOT 2", "LOT 1".
- Left Side:** A vertical line with dimensions 2800', 2400', 3200', 2800'. A label "018" is written vertically along this line.
- Top Left:** A small rectangular area labeled "200' 4,380.41As".
- Top Center:** A horizontal line with dimensions 3400' and 3600'. A label "R24 Hay wire" is written above the 3400' dimension.
- Top Right:** A horizontal line with dimensions 1200' and 4600'. A label "Hay wire DRAW" is written above the 1200' dimension. A label "009" is written above the 4600' dimension.
- Center:** A large rectangular area labeled "019 Southeast BASIN". A label "022 Road side Pond" is written above the 2400' dimension. A label "011 Branch" is written above the 2600' dimension. A label "012 Land" is written above the 3600' dimension.
- Bottom Left:** A horizontal line with dimensions 2800' and 4200'. A label "020 West Fence line" is written above the 2800' dimension. A label "SPRING" is written below the 4200' dimension.
- Bottom Center:** A horizontal line with dimensions 1800' and 4000'. A label "021 South DRAW (Ben Young)" is written above the 1800' dimension.
- Bottom Right:** A horizontal line with dimensions 1200' and 5000'. A label "015 Tom's Hole" is written above the 1200' dimension. A label "014 Ben Young LAKE" is written above the 5000' dimension. A label "013 Sand" is written below the 5000' dimension.
- Bottom:** A horizontal line with dimensions 3600' and 1600'. A label "016 TAMARACK SPRING" is written above the 3600' dimension.
- Bottom Left:** A label "015" is written above the 2800' dimension. A label "014" is written above the 3600' dimension. A label "013" is written above the 1600' dimension.
- Bottom Left:** A label "CR." is written vertically along a line.
- Bottom Left:** A label "018" is written vertically along a line.
- Bottom Left:** A label "019" is written vertically along a line.
- Bottom Left:** A label "020" is written vertically along a line.
- Bottom Left:** A label "021" is written vertically along a line.
- Bottom Left:** A label "022" is written vertically along a line.
- Bottom Left:** A label "023" is written vertically along a line.
- Bottom Left:** A label "024" is written vertically along a line.
- Bottom Left:** A label "025" is written vertically along a line.
- Bottom Left:** A label "026" is written vertically along a line.
- Bottom Left:** A label "027" is written vertically along a line.
- Bottom Left:** A label "028" is written vertically along a line.
- Bottom Left:** A label "029" is written vertically along a line.
- Bottom Left:** A label "030" is written vertically along a line.
- Bottom Left:** A label "031" is written vertically along a line.
- Bottom Left:** A label "032" is written vertically along a line.
- Bottom Left:** A label "033" is written vertically along a line.
- Bottom Left:** A label "034" is written vertically along a line.
- Bottom Left:** A label "035" is written vertically along a line.
- Bottom Left:** A label "036" is written vertically along a line.
- Bottom Left:** A label "037" is written vertically along a line.
- Bottom Left:** A label "038" is written vertically along a line.
- Bottom Left:** A label "039" is written vertically along a line.
- Bottom Left:** A label "040" is written vertically along a line.
- Bottom Left:** A label "041" is written vertically along a line.
- Bottom Left:** A label "042" is written vertically along a line.
- Bottom Left:** A label "043" is written vertically along a line.
- Bottom Left:** A label "044" is written vertically along a line.
- Bottom Left:** A label "045" is written vertically along a line.
- Bottom Left:** A label "046" is written vertically along a line.
- Bottom Left:** A label "047" is written vertically along a line.
- Bottom Left:** A label "048" is written vertically along a line.
- Bottom Left:** A label "049" is written vertically along a line.
- Bottom Left:** A label "050" is written vertically along a line.
- Bottom Left:** A label "051" is written vertically along a line.
- Bottom Left:** A label "052" is written vertically along a line.
- Bottom Left:** A label "053" is written vertically along a line.
- Bottom Left:** A label "054" is written vertically along a line.
- Bottom Left:** A label "055" is written vertically along a line.
- Bottom Left:** A label "056" is written vertically along a line.
- Bottom Left:** A label "057" is written vertically along a line.
- Bottom Left:** A label "058" is written vertically along a line.
- Bottom Left:** A label "059" is written vertically along a line.
- Bottom Left:** A label "060" is written vertically along a line.
- Bottom Left:** A label "061" is written vertically along a line.
- Bottom Left:** A label "062" is written vertically along a line.
- Bottom Left:** A label "063" is written vertically along a line.
- Bottom Left:** A label "064" is written vertically along a line.
- Bottom Left:** A label "065" is written vertically along a line.
- Bottom Left:** A label "066" is written vertically along a line.
- Bottom Left:** A label "067" is written vertically along a line.
- Bottom Left:** A label "068" is written vertically along a line.
- Bottom Left:** A label "069" is written vertically along a line.
- Bottom Left:** A label "070" is written vertically along a line.
- Bottom Left:** A label "071" is written vertically along a line.
- Bottom Left:** A label "072" is written vertically along a line.
- Bottom Left:** A label "073" is written vertically along a line.
- Bottom Left:** A label "074" is written vertically along a line.
- Bottom Left:** A label "075" is written vertically along a line.
- Bottom Left:** A label "076" is written vertically along a line.
- Bottom Left:** A label "077" is written vertically along a line.
- Bottom Left:** A label "078" is written vertically along a line.
- Bottom Left:** A label "079" is written vertically along a line.
- Bottom Left:** A label "080" is written vertically along a line.
- Bottom Left:** A label "081" is written vertically along a line.
- Bottom Left:** A label "082" is written vertically along a line.
- Bottom Left:** A label "083" is written vertically along a line.
- Bottom Left:** A label "084" is written vertically along a line.
- Bottom Left:** A label "085" is written vertically along a line.
- Bottom Left:** A label "086" is written vertically along a line.
- Bottom Left:** A label "087" is written vertically along a line.
- Bottom Left:** A label "088" is written vertically along a line.
- Bottom Left:** A label "089" is written vertically along a line.
- Bottom Left:** A label "090" is written vertically along a line.
- Bottom Left:** A label "091" is written vertically along a line.
- Bottom Left:** A label "092" is written vertically along a line.
- Bottom Left:** A label "093" is written vertically along a line.
- Bottom Left:** A label "094" is written vertically along a line.
- Bottom Left:** A label "095" is written vertically along a line.
- Bottom Left:** A label "096" is written vertically along a line.
- Bottom Left:** A label "097" is written vertically along a line.
- Bottom Left:** A label "098" is written vertically along a line.
- Bottom Left:** A label "099" is written vertically along a line.
- Bottom Left:** A label "100" is written vertically along a line.
