Disclaimer: This listing is the result of a manual search of the records of the Watermaster's Plat Cards and the WRS database. This listing has not been field checked. That a right is of record is no guarantee that it has not been abandoned under the conditions of ORS 545.610. The plat card records are listed by the 40.0 acre quarter-quarter within a section. If the water right listed within a quarter-quarter is on more than one tax lot, this office has not limited the water rights for each tax lot - only a survey could accurately depict how much of the water rights are on each tax lot.
