Spoke with Wade  
Newbeam - sounds  
like a domestic  
use only. JAL

8. Remarks: The Farmhouse on my place was built in 1897 -  
(builders signature in door frame) The only source of water at  
this location is the spring. To my knowledge no well was  
ever developed for the old home site and the spring has been  
used for domestic and farm water. A well drilled in 1976 for  
my home now connects the two houses. The spring is our  
emergency backup and primary for irrigation, stockwater and wildlife
