Water Resources Director

HELPFUL INFORMATION:

A transfer is one or a combination of the following: a change in the location of the point of diversion or well, an additional point of diversion or well, a change in the character (type) of use, a change from a supplemental right to a primary right, or a change in the place where water is used.

This form should be used when the landowner of the place where the water is used initiates one or more of the above listed changes to a water right then sells or otherwise conveys the place where water is used to someone else. IF THE PURPOSE OF THE TRANSFER WAS TO CHANGE THE PLACE WHERE WATER IS USED TO LAND OWNED BY SOMEONE ELSE, THIS FORM IS NOT NEEDED

The completed assignment must be submitted to the Water Resources Director, 3850 Portland Road, N.E., Salem, Oregon 97310, together with a Recording fee of \$10.00
