Authority

CITY OF WOODBURN
RANDY SCOTT, PUBLIC WORKS DIRECTOR

Findings of Fact

1. On November 30, 2016 the Department issued a Final Order and Superseding Permits G-17705, G-17706, and G-17707 for additional points of appropriation and a change in place of use under Permit Amendment T-12181 and approved by Special Order Volume 103, Page 497.

This is a final order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 and OAR 690-01-0005 you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.
