5. The former place of use of the transferred right shall no longer receive water under the right.
6. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2018**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the change and full beneficial use of the water.
7. After satisfactory proof of beneficial use is received, a new certificate confirming the right transferred will be issued.
