5. Notice of the application for transfer was published on January 4, 2011, pursuant to OAR 690-380-4000. No comments were filed in response to the notice.
6. On February 9, 2011, the Department mailed a copy of the draft Preliminary Determination proposing to approve Transfer Application T-11176 to the applicants. The draft Preliminary Determination cover letter set forth a deadline of March 14, 2011, for the applicants to respond. The applicants requested that the Department proceed with issuance of a Preliminary Determination and provided the necessary information to demonstrate that the applicants are authorized to pursue the transfer.
7. On March 2, 2011, the applicants requested to change the completion date of the transfer to October 1, 2013.
8. On March 4, 2011, the Department issued a Preliminary Determination proposing to approve Transfer Application T-11176 and mailed a copy to the applicants. Additionally, notice of the Preliminary Determination for the transfer application was published on the Department's weekly notice on March 8, 2011 pursuant to ORS 540.520 and OAR 690-380-4020. No protests were filed in response to the notice.

Transfer Review Criteria [OAR 690-380-4010(2)]

9. Water has been used within the last five years according to the terms and conditions of the right. There is no information in the record that would demonstrate that the rights are subject to forfeiture under ORS 540.610.
10. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing rights were present within the five-year period prior to submittal of Transfer Application T-11176.
11. The proposed change would not result in enlargement of the rights.
12. The proposed change would not result in injury to other water rights.

Conclusions of Law

The change in place of use proposed in Transfer Application T-11176 is consistent with the requirements of ORS 540.505 to 540.580 and OAR 690-380-5000.

Now, therefore, it is ORDERED:

1. The change in place of use proposed in Transfer Application T-11176 is approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificates 68504 and 76062, and any related decree.

3. Water right certificates 68504 and 76062 are cancelled. New certificates will be issued describing those portions of the rights not affected by this transfer.
4. The former place of use of the transferred rights shall no longer receive water under the rights.
5. The approved change shall be completed and full beneficial use of the water shall be made on or before **October 1, 2013**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the change(s) and full beneficial use of the water.
6. When satisfactory proof of the completed change is received, new certificates confirming the rights transferred will be issued.

Dated at Salem, Oregon this 25 day of April, 2011.
