Conclusions of Law

The proposed changes in place of use as proposed in Transfer Application T-14140 comply with and satisfy the requirements of ORS 540.580 and OAR 690-385-4500.

Now, therefore, it is ORDERED:

1. The proposed change in place of use to the water rights evidenced by Certificate 81012 is approved.
2. The place of use from which the water right is transferred off by Transfer T-14140 shall no longer be irrigated, and is cancelled from Certificate 81012.
3. The right to the use of the water at the place of use NOT modified by this order is restricted to beneficial and is subject to all other conditions and limitations contained in Certificate 81012.
4. The water user shall maintain and operate the existing measurement device and shall make such improvements as may be required by the Department.
5. Full beneficial use of the water shall be made, consistent with the terms of this order, on or before **October 1, 2024**. A Claim of Beneficial Use shall be submitted by RID to the Department within one year after the deadline for completion of the changes and full beneficial use of the water.
6. Water right Certificate 81012 is modified. After satisfactory proof of completion has been determined by the Department, a superseding water right certificate will be issued when the Department determines it is necessary for record keeping.
