

**BEFORE THE WATER RESOURCES DEPARTMENT
OF THE
STATE OF OREGON**

In the Matter of the Proposed Water) FINAL ORDER APPROVING A
Management and Conservation Plan for the) WATER MANAGEMENT AND
City of Portland, Multnomah County) CONSERVATION PLAN

Authority

OAR Chapter 690, Division 086, establishes the process and criteria for approving water management and conservation plans required under the conditions of permits, permit extensions and other orders of the Department.

Findings of Fact

1. The City of Portland submitted a Water Management and Conservation Plan (plan) and required statutory fee for review of the plan to the Water Resources Department (Department) on April 30, 2020. The plan was required by a condition set forth in the final order issued on May 5, 2017 approving an extension of time for Permit G-14007.
2. The Department published notice of receipt of the plan on May 20, 2020, as required under OAR Chapter 690, Division 086. No comments were received.
3. The Department provided written comments on the plan to the City on June 26, 2020. In response, the City submitted a revised plan on August 28, 2020.
4. The Department reviewed the revised plan and finds that the revised plan is consistent with the relevant requirements under OAR Chapter 690, Division 086.

Conclusion of Law

The Water Management and Conservation Plan submitted by the City of Portland is consistent with the criteria in OAR Chapter 690, Division 086.

Now, therefore, it is ORDERED:

Duration of Plan Approval:

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

1. The City of Portland Water Management and Conservation Plan is approved and shall remain in effect until **November 20, 2030**, unless this approval is rescinded pursuant to OAR 690-086-0920.

Development Limitation(s):

2. The limitation of the diversion of water under **Permit G-14007** established in the Final Order approving an Extension of Time for Permit G-14007 (*issued on May 5, 2017*) remains unchanged. Subject to other limitations or conditions of the permit, therefore, the City of Portland remains authorized to divert only up to **9.6 cfs** (*out of the total permitted 14.3 cfs*) of water under **Permit G-14007**.
3. The limitation of the diversion of water under **Permit G-15690** established in the Final Order approving an Extension of Time for Permit G-15690 (*issued on October 23, 2020*) remains unchanged. Subject to other limitations or conditions of the permit, therefore, the City of Portland is not authorized to divert any water under **Permit G-15690** at this time.

Plan Update Schedule:

4. The City of Portland shall submit an updated plan meeting the requirements of OAR Chapter 690, Division 086 (effective December 23, 2018) within **10 years** and no later than **May 20, 2030**.

Progress Report Schedule:

5. The City of Portland shall submit a progress report containing the information required under OAR 690-086-0120(4) by **November 20, 2025**.

Other Requirements for Plan Submittal:

6. The deadline established herein for the submittal of an updated Water Management and Conservation Plan (consistent with OAR Chapter 690, Division 086) shall not relieve the City of Portland from any existing or future requirement(s) for submittal of a Water Management and Conservation Plan at an earlier date as established through other final orders of the Department.
