

STATE OF OREGON

COUNTY OF BAKER

CORRECTING ORDER

The order of the Water Resources Director approving Transfer Application 8740, in the name of Oliver and Christie Wilde, was entered November 9, 2001, at Special Order Volume 55, Page 1260. Condition 5 of the special order is not the language the applicants had agreed upon. This order correctly describes Condition 5 as agreed upon by the applicants and the Department.

CONDITION 5 READ:

"The water user shall begin a diversion monitoring program that shall include the rate and duty of water appropriated and must keep a daily record of how much water is being appropriated at both the old point of diversion and the new additional point of diversion. The flow data shall be available to the Watermaster promptly on request. The water user shall supply to the Watermaster an annual report of water use and monitoring data. Monitoring data shall be provided to the Watermaster in a reasonable summary format, approved beforehand by the Watermaster, by December 31 of each year."

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2).

Pursuant to ORS 536.075 and OAR 137-004-080 and OAR 690-01-005 you may either petition for judicial review or petition the Director for reconsideration of this order.

CONDITION 5 SHOULD READ:

"The water user shall begin a diversion monitoring program that shall include the rate and duty of water appropriated and must keep a daily record of how much water is being appropriated at both the old point of diversion and the new additional point of diversion. The flow data shall be available to the Watermaster promptly on request."

The order of the Water Resources Director approving Transfer Application 8740, in the name of Oliver and Christie Wilde, entered November 9, 2001, at Special Order Volume 55, Page 1260 is CORRECTED as described herein. All other terms and conditions of the transfer approval order remain the same.
