

**Before the Water Resources Director
Crook County Oregon**

FINAL ORDER

Pursuant to ORS 541.329 (District Water Rights Mapping Provision), a petition requesting approval and acceptance of district maps showing the location and use of all water rights within and served by a district was submitted to the Oregon Water Resources Commission on July 1, 1993, by the petitioner:

**PEOPLE'S IRRIGATION COMPANY
615221 O'NEIL HIGHWAY
PRINEVILLE, OREGON 97754**

By Decree of the Circuit Court for Crook County, Oregon, entered April 13, 1914, In the Matter of the Determination of the Relative Rights to the Use of Water of Crooked River and its Tributaries, a water right, a portion of which is tabulated under "Eligible Rights of Record" in **TABLE 1**, was allowed in the name of People's Irrigation Company for use of the waters of the Crooked River for irrigation, stock, and domestic use.

These lands have priority dates of 1893, 1895, 1900, 1904, and 1910, as evidenced by the certificate of water right recorded at page 52183, State Record of Water Right Certificates.

The petitioner also has the following eligible rights of record established through the permit process:

- Certificate 10946 for irrigation with a July 29, 1921 priority from the Crooked River.
- Certificate 13324 for irrigation with a November 21, 1934 priority from the Crooked River.
- Certificate 29104 for irrigation with a March 29, 1955 priority from the Crooked River.
- Certificate 28806 for supplemental irrigation with a July 13, 1955 priority from a well.
- Certificate 33010 for irrigation with a September 11, 1934 priority from the Crooked River.
- Certificate 33011 for irrigation with a March 28, 1935 priority from the Crooked River.
- A portion of Certificate 68396 for irrigation and supplemental irrigation with an April 8, 1914 priority from the Crooked River and Prineville Reservoir.

These lands are also tabulated under "Eligible Rights of Record" in **TABLE 1**. (Certificate 68396 superseded Certificate 68327 subsequent to the petition but did not alter the petitioner's right of record).

These lands are irrigated by means of the People's Irrigation Company canal and by direct diversion from the Crooked River.

With the exception of Certificate 28806 which is unchanged, the petitioner requests to change the uses and places of use of the above rights to uses and places of use as tabulated under "Petitioned Rights" in **TABLE 2**. The petitioner has stated that there is no domestic use and requests that no domestic use be included in the new certificates.

FINDINGS

The Director has examined the petition and maps submitted by PEOPLE'S IRRIGATION COMPANY and a report prepared by Department staff. The report is on file at the Water Resources Department. Based on the examination and report, the Director finds:

1. People's Irrigation Company is eligible to petition as defined by ORS 541.325(1).
2. The company filed its petition and map in a timely manner.
3. The company paid the fees required under ORS 536.050(1)(o).
4. The company certified that they met the notice requirements of ORS 541.329(4)
5. The content and quality of the company's petition and maps meet the requirements of ORS 541.329.
6. The acreage petitioned is within the limits of the eligible rights and the limits set in ORS 541.331(4).
7. The company has met the notice requirements of ORS 541.329(5).
8. No user filed a protest and no comments were received pursuant to ORS 541.331(1).
9. People's Irrigation Company may make the proposed changes without injury to existing rights.

Therefore, the Director finds that PEOPLE'S IRRIGATION COMPANY has met the requirements of ORS 541.325 to 541.333.

FINAL ORDER

NOW, THEREFORE, it is ORDERED that the petition and maps of water rights submitted by the PEOPLE'S IRRIGATION COMPANY are accepted and approved. Certificates 10946, 13324, 29104, 33010, 33011, 52183, and 68396 are canceled.

It is FURTHER ORDERED that new certificates conforming to the approved petition be issued to PEOPLE'S IRRIGATION COMPANY.

It is FURTHER ORDERED that after all other petitions filed on Certificates 52183 and 68396 have been approved and accepted by the Oregon Water Resources Director, new certificates be issued for those portions of Certificates 52183 and 68396 not involved in this or any other petition.

It is FURTHER ORDERED that the original season, rate, duty limitations, and all other conditions and limitations contained in the original permits and the original decree, as modified by any subsequent decrees, shall remain in effect for the rights petitioned.

WITNESS the signature of the Oregon Water Resources Director, affixed

this 18th day of February, 1998

Martha O. Pagel, Director
