7. If a right which has been leased is later proposed to be leased again or transferred to an instream use under ORS 537.348 and OAR 690-077-0070 or OAR 690-077-0075 a new injury review shall be required. Approval of this lease does not establish a precedent for approval of future leases or transfers.

9. The Lessor has requested the option of terminating the lease early with written notice to the Department.
