Reference: Water Right Transfer 8218

Fees in the amount of \$300.00 were collected when your transfer application was received on 03/11/1999. We were unable to file this application since it does not show the land that will be tied to this point of diversion change. The application shows no authorized acres and the maps do not list the acres. Also needed is evidence of use for the past five years.

A refund check in the amount of \$300.00 will be mailed as soon as possible.

If you have any questions please call Gloria at 503-378-8455 ext. 310, or Larry ext. 275.

Sincerely,

Gloria Tolleson  
NWR Support
