

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

MARION COUNTY

DENIAL OF ALTERNATE ACREAGE PETITION

Teel Irrigation District submitted an Alternate Acreage Petition in accordance with the provisions of ORS 540.570 for Permits 25920 and 25924.

OAR 690-21-060 requires the Department to prepare a written review of the petition to determine if the change would injure existing rights or result in enlargement of the subject right.

The Department's review determined that the petition would result in an enlargement of the incomplete water rights described in the permits. The Director should deny the petition.

The Teel Irrigation District Alternate Acreage Petition for Permits 25920 and 25924 is DENIED.

Dated at Salem, Oregon this 25th day of

February, 1993.

Martha O. Pagel, Director
