

**BEFORE THE WATER RESOURCES DEPARTMENT
OF THE
STATE OF OREGON**

In the Matter of Permit Amendment	)	FINAL ORDER
T-13367, Morrow and Umatilla Counties	)	APPROVING A CHANGE IN PLACE OF USE

Authority

Oregon Revised Statute (ORS) 537.211 establishes the process in which a water right permit holder may submit a request to change the point of diversion and/or place of use authorized under an existing water right permit.

Applicant

MADISON RANCHES, INC.
29299 MADISON RD
ECHO, OR 97826

Findings of Fact

1. On February 6, 2020, MADISON RANCHES, INC. filed an application to change the place of use under Permit S-51017. The Department assigned the application number T-13367.
2. On April 28, 2009, the Department issued a Final Order (Special Order Volume 77, Page 561), approving a District permanent transfer under Certificates 52822, 76717, 76799, and 79439, and partial diminution of 6.3 acres to supplemental irrigation under Permit S-51017.
3. On September 15, 2010, the Department issued a Final Order (Special Order Volume 81, Page 878), approving an additional point of diversion under Permit S-51017.
4. On February 16, 2012, the Department issued a Final Order (Special Order Volume 87, Page 63), approving a District permanent transfer under Certificates 76715 and 79439, and partial diminution of 9.0 acres to supplemental irrigation under Permit S-51017.
5. On April 13, 2016, the Department approved a partial assignment of the permit from Madison Ranches, Inc., to AXA Equitable Life Insurance Co., c/o AXA Equitable AgriFinance, LLC.
6. On March 6, 2017, the Department approved a partial assignment of the permit from Madison Ranches, Inc., to Northwest Farm Credit Services, FLCA.

This is a final order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 and OAR 690-01-0005 you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

7. On April 21, 2017, the Department approved an extension of time for complete application of water to October 1, 2020.
8. Notice of the application for the permit amendment was published in the Department's weekly notice on February 18, 2020, pursuant to ORS 540.520(5). No comments were filed in response to the notice.
9. On May 26, 2020, the Department determined that the current place of use (POU) under Permit S-51017, is layered with Northeast Oregon Water Association (NOWA) permits for water use. Proposed "FROM" lands are layered with NOWA Planned Supplemental Irrigation for 2020, and in accordance with NOWA permit conditions, the Department is unable to move those lands under T-13367. Either those "FROM" lands need to be removed from T-13367, or NOWA needs to notify the Department that NOWA supplemental irrigation will not occur on those lands in 2020. It was determined that the applicant should coordinate with JR Cook/NOWA as to how to resolve the problem with the "FROM" lands for T-13367 being layered with NOWA Planned Supplemental Irrigation for 2020.
10. It was determined the applicant would wait until the end of irrigation season for 2020 before changing the POU, due to the current POU becoming un-layered with NOWA permit water after October 31, 2020. In order to continue with T-13367, it was also determined that the applicant would need to submit an Extension of Time application, as the completion date for Permit S-51017 was set for October 1, 2020.
11. On March 2, 2021, a revised map and place of use table was submitted, clarifying the location of the proposed place of use.
12. On March 5, 2021, the Department approved an extension of time for complete application of water to October 1, 2021.
13. Permit Amendment Application T-13367 proposes to change the place of use of the permit to:
