ORDER AMENDING  
ORDER APPROVING  
TRANSFER 4050

-----

On September 19, 1978, an application was filed in the office of the Water Resources Director by John W..S. Platt, Managing Partner for Peekay and Company, for approval of a change in place of use of water from Tumalo Creek, Deschutes River, Crater Creek, Little Crater Creek and three spring branches, and Crescent Lake Reservoir, pursuant to the provisions of ORS 540.510 to 540.530.

On December 12, 1978, the application was amended to place 3.0 acres of water right in the SW 1/4 SE 1/4 of Section 27, Township 16 South, Range 11 East, WM.

The order of the Water Resources Director entered at page 522, Volume 31, Special Order Record, on December 22, 1978, allowed said change.

On June 6, 1979, a letter from John Platt to Tumalo Irrigation District stated that an error was made by Peekay and Company in the placement of said 3.0 acres, that 3.0 acres of water right was to be placed in the SE 1/4 SE 1/4 of Section 27, Township 16 South, Range 11 East, WM, and in fact, was so placed and subsequently used.

The aforesaid order of the Water Resources Director, having been based on incorrect data supplied by the applicant, should be amended to show the correct place of use of said water right.

NOW, THEREFORE, it hereby is ORDERED that line 3, paragraph 4, page 522, Volume 31, Special Order Record, be amended to read "... in SE 1/4 SE 1/4 of Section 27 (Peekay and Company)...".

Dated at Salem, Oregon, this 10th day of September, 1981.
