CERTAIN APPLICATIONS -----)

O R D E R
 REJECTING AND WITHDRAWING APPLICATIONS

At this time, it appears that the following applications did not contain the necessary data to make them acceptable for approval by the State Engineer and that the said applications were found to be defective and were returned for completion to the applicant, endorsed so that to retain their priorities they should have been returned to the State Engineer within thirty days from the date of endorsement, as provided by ORS 537.150 to 537.190, and that the said applications were not returned to the State Engineer within the thirty-day time limit specified and have not been returned at this date, and it further appears that a minimum period of 224 days has elapsed between the time when the applications were returned to the applicants and the date of this order.
