

BEFORE THE OREGON WATER RESOURCES DIRECTOR

MALHEUR COUNTY

FINAL ORDER

Pursuant to ORS 541.329 (District Water Rights Mapping Provision), a petition, requesting approval and acceptance of District maps showing the location and use of water rights within the boundaries of and serviced by Vale Oregon Irrigation District, was submitted to the Oregon Water Resources Department on June 30, 1993, by the petitioner:

Vale Oregon Irrigation District
521 A Street West
Vale, OR 97918.

Vale Oregon Irrigation District (District) petitioned portions of, or all of, the following eligible water rights: Transfer U-3 and the rights evidenced by the Water Right Certificates, hereinafter called Rights of Record, numbered 1065, 1155, 1188, 1248, 1554, 1559, 1563, 1567, 1570, 1571, 1572, 1575, 1579, 1580, 1583, 1584, 1585, 1586, 1605, 1606, 1608, 1614, 1615, 1627, 2753, 2838, 2841, 3420, 3566, 5413, 5414, 6866, 6936, 6939, 6942, 6943, 7008, 7027, 7041, 15719, 15808, 33636, 43074, 44523, 46077, 49066, 49718, 51736, 51737, 52071, 56373, 56509, 62423, and 66257, of the State Record of Water Right Certificates.

The said Rights of Record allow use of the waters of Willow Creek, South Fork Willow Creek, Little Willow Creek, Southeast Willow Creek, Burnt Willow Creek, Lick Creek, Kern Creek, Turner Creek, Cottonwood Creek, Little Muddy Creek, Gould Creek, Pine Creek, Clear Creek, Camp Creek, Otis Creek, Big Stinking Water Creek, Clover Creek, Sleepy Hollow Creek, Spring Creek, Currant Creek, Branch Creek, Gum Creek, Black Creek, Phipps Creek, Poison Creek, Pole Creek, Bully Creek, Warm Springs Creek, Jerry Creek, Little Malheur River, South Fork Malheur River, North Fork Malheur River, Middle Fork Malheur River, Haymaker Gulch, Gray Gulch, a sump, wells, Unnamed Streams, Waste Water, a series of springs, storage from Warm Springs Reservoir, Storage from Beulah Reservoir (a.k.a. Agency Valley Reservoir), tributaries of Malheur River, and Malheur River, tributary of the Snake River, for irrigation and supplemental irrigation of 81,646.69 acres.

The rights to be modified by the results of the petition and requested cancellations are listed in **Attachment A**.

The petitioner requests a change in the place of use and/or type of use for 32,000.0 acres of primary irrigation and 38,147.16 acres of supplemental irrigation, as shown in **Attachment B**.

In addition, the petitioner requests the cancellation of 1,821.80 acres. Those portions of these rights that have been requested canceled are shown in **Attachment C**.

ORS 541.329 authorizes the District to petition the location and use of water rights within district boundaries. Following issuance of the proposed order approving its petition, the District submitted transfer applications to change and align points of diversion with some of the petitioned acreage. This order, in addition to addressing the District’s petition, renders findings and conclusions about proof submitted by the District that the changes in points of diversion were completed in accordance with the terms and conditions of the orders approving the following transfer applications:

FINDINGS AND DETERMINATIONS

The Department reviewed the petition and maps submitted by the District. Staff’s report on its findings is on file at the Department. The Department also reviewed claims of beneficial use and final proof maps submitted for the change in points of diversion authorized by the above referenced orders. The Department finds:

1. Vale Oregon Irrigation District is a “district” as defined in ORS 541.325(1)
2. The District has met the notice requirements of ORS 541.325(4)
3. The District filed its petition and maps in a timely manner.
4. The District paid the fees required under ORS 536.050(1)(m)

5. The District certified that the notice requirements of ORS 541.329(4) were met.
6. The District made available for public inspection the proposed order and map for an 120-day period following the first publication of notice under ORS 541.329.
7. The Department received no protests to the proposed order and map within the 60-day period following the first publication of notice under ORS 541.329.
8. The acreage petitioned is within the limits of the eligible water rights and the limits set forth in ORS 541.331(4).
9. The changes may be made without injury to existing water rights.
10. The order reflects land owner affidavits requesting their rights, or a portion of their rights, be diminished from primary irrigation to supplemental irrigation or canceled.
11. The content and quality of the District's petition and maps meet the requirements of ORS 541.331(4).
12. The District submitted claims of beneficial use consistent with the terms and conditions of the orders approving point of diversion changes.

CONCLUSIONS OF LAW

1. The director has examined the findings report prepared by Department staff and the petition and maps submitted by the District. Based upon the examination, the director concludes the District has met the requirements of ORS 541.325 to 541.333.
2. The director concludes the District provided satisfactory proof, pursuant to ORS 540.530, that the changes in points of diversions were made according to the terms and conditions of the special orders approving transfer applications T-7214, T-7368, T-7718, T-7719, T-7720, T-7721, T-7835, and T-7887.

ORDER

It is hereby ORDERED:

1. The Director accepts and approves the Vale Oregon Irrigation District petition and maps.
2. The Director cancels the following certificates, as recorded in the State Record of Water Right Certificates: 1065, 1155, 1188, 1248, 1554, 1559, 1563, 1567, 1570, 1571, 1572, 1575, 1579, 1580, 1583, 1584, 1585, 1586, 1605, 1606, 1608, 1614, 1615, 1627, 2753, 2838, 2841, 3420, 3566, 5413, 5414, 6866, 6936, 6939, 6942, 6943, 7008, 7027, 7041, 15719, 15808, 33636, 43074, 44523, 46077, 49066, 49718, 51736, 51737, 52071, 56373, 56509, 62423, and 66257.

3. The Director confirms the satisfactory completion of point of diversion transfers for the following transfer applications: T-7214, T-7368, T-7718, T-7719, T-7720, T-7721, T-7835, and T-7887.
4. The Department shall issue confirming right certificates, conforming to the approved petition, for the irrigation of 32,000.00 acres and supplemental irrigation of 38,147.16 acres.
5. New confirming right certificates issued by the Department shall retain the conditions and limitations upon the rights, seasons of use, priority dates, and rate and duty limitations.
6. The Department shall issue a confirming certificate for the portion of Transfer U-3 not petitioned by the District.
7. The Department shall issue remaining right certificates for those portions of the affected rights not altered by the Vale Oregon Irrigation District petition or any other petitioner.
5. The Director cancels, pursuant to ORS 540.621, those rights or portions thereof as listed in **Attachment C**.

WITNESS the signature of the Oregon Water Resources Director, affixed
