IN THE MATTER OF APPLICATIONS FOR )  
PERMIT TO APPROPRIATE WATER, NOS. )  
8830, 8886, 8887 and 9054 OF KENNETH )  
G. HARLAN, AND OBJECTIONS THERETO BY )  
OSCAR FURUSET. )

O R D E R .

Now at this time this matter coming on for consideration by the State Engineer, after full hearing held on July 14, 1925, and it appearing that Kenneth G. Harlan is the Holder of certain applications for permit to appropriate water, involving the irrigation of about 10,000 acres of land, which were filed two years ago and have since been held in obedience to allow sufficient time for surveys and other engineering work necessary before actual construction of the project, and that Oscar Furuset has protested against the approval of said applications; and it further appearing after careful consideration of all evidence submitted in the matter, that said Kenneth G. Harlan has displayed sufficient good faith and evidence of his intention to utilize the water proposed to be appropriated, if the project is found to be feasible, NOW, THEREFORE;

It is hereby ORDERED that said applications be approved and permits issued thereon, provided satisfactory maps and other data are filed in connection with said applications within sixty days or such further time as may be granted for good cause.

Dated this 17th day of July, 1925, at  
Salem, Oregon.

  
REBA LUPER,

STATE ENGINEER.
