On February 22, 1984, an affidavit was filed in the office of the Water Resources Director by Scott Johnston, Gwen Johnston and Don Johnston for approval of a change from primary to supplemental use of water from Klamath River.

The certificate recorded at page 2049, Volume 3, State Record of Water Right Certificates, in the name of R.A. Emmitt, describes a right which includes the use of not to exceed 0.34 cubic foot per second from Klamath River, for irrigation of 10.3 acres in NE 1/4 NW 1/4 and 17.1 acres in SE 1/4 NW 1/4, Section 32, Township 39 South, Range 8 East, WM, with a date of priority of June 13, 1916.

The applicants herein, owners of the lands above described, propose to change the right from primary irrigation to supplemental irrigation on the same lands.

NOW, THEREFORE, it hereby is ORDERED that the proposed change from primary irrigation to supplemental irrigation is approved, without loss of priority.

It is FURTHER ORDERED that the certificate recorded at page 2049, Volume 3, State Record of Water Right Certificates, is canceled; and in lieu thereof a new certificate be issued covering the balance of the right NOT involved in this proceeding; and a certificate of water right be issued to the applicant herein designating said water right as supplemental on the aforesaid lands.
