ORDER APPROVING
TRANSFER NO. 2858

On July 20, 1973, an application now in the names of Lewis C. and Loretta A. Wright was filed in the office of the Water Resources Director for approval of a change in place of use of water from Neil Creek, pursuant to the provisions of ORS 540.510 to 540.530.

The certificate recorded at page 43992, Volume 36, State Record of Water Right Certificates, in the name of R. C. Avent, describes a right which includes the use of not to exceed 0.01 cubic foot per second from Neil Creek for irrigation of a certain 0.7 acre in SW¹/₄ NW¹/₄ of Section 30, Township 39 South, Range 2 East, W.M., with a date of priority of 1861.

Water for the said right is diverted, through the West Side Neil Ditch, from a point located 700 feet North and 1370 feet East from the Southwest Corner of Section 30, being within the SE¹/₄ SW¹/₄ of said Section 30.

The applicants herein, owners of the lands above described, propose to change the place of use therefrom and, without loss of priority, to irrigate in lieu thereof a certain other 0.7 acre in SW¹/₄ NW¹/₄ of said Section 30.

Mr. David C. Hendrix, Watermaster, has filed a statement to the effect that the proposed change in place of use may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed change in place of use may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use, as described herein, without loss of priority, is approved.

It is FURTHER ORDERED that NO time need be fixed for completion as the change in place of use is completed.

It is FURTHER ORDERED that the certificate recorded at page 43992, Volume 36, State Record of Water Right Certificates, is canceled; and in lieu thereof a new certificate be issued covering the balance of the right NOT involved in this

proceeding; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the applicants herein.

Dated at Salem, Oregon this 28th day of June, 1979.
