On August 16, 1946, Florence Gray of Portland, Oregon, filed an application for the approval of a change in place of use of water from Deschutes River, within the boundaries of the Central Oregon Irrigation District.

In the matter of the determination of the relative rights to the use of the waters of Deschutes River and its tributaries, a water right was recognized in the name of the North Canal Company for the irrigation of, among other lands, 26 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, Section 29, Township 15 South, Range 13 East, W. M., Deschutes County, Oregon.

The applicant herein, owner of 16 acres of the above-described lands and water right appurtenant thereto, proposes to transfer the water right therefrom, without loss of priority, to 11 acres in the SE $\frac{1}{4}$ NW $\frac{1}{4}$, and 5 acres in Lot 3 (NW $\frac{1}{4}$ SW $\frac{1}{4}$), Section 18, Township 14 South, Range 14 East, W. M., Crook County, Oregon.

Notice by publication as provided by Section 116-606, O. C. L. A., was not given in connection with this application for the reason that said section provides that notice is not required in applications for only a change in place of use of water.

All lands involved herein are within the boundaries of the Central Oregon Irrigation District, the board of directors of such district having approved the proposed transfer at its regular meeting held August 7, 1946.

It appearing that the proposed change in place of use of water may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED THAT the proposed change in place of use of water be and the same hereby is approved and that the water rights hereinbefore described as appurtenant to 16 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, Section 29, Township 15 South, Range 13 East, W. M., Deschutes County, Oregon, be severed therefrom and simultaneously and without loss of priority transferred to 11 acres in the SE $\frac{1}{4}$ NW $\frac{1}{4}$, and 5 acres in Lot 3 (NW $\frac{1}{4}$ SW $\frac{1}{2}$), Section 18, Township 14 South, Range 14 East, W. M., Crook County, Oregon.

It is FURTHER ORDERED that the water so transferred shall be applied to beneficial use within the time fixed for the completion of the inchoate water rights allowed the Central Oregon Irrigation District in the matter of the determination of the relative rights to the use of the waters of Deschutes River and its tributaries, or such extension of time as may be granted in said matter by the State Engineer for good cause shown.

Dated at Salem, Oregon, this 19th day of August, 1946.
