Mr. David C. Hendrix, Watermaster of District No. 13, has filed a report to the effect that the proposed change in point of diversion of water may be made without injury to existing rights.

From a point located 725 feet North and 1125 feet West from the South quarter-corner of Section 10, being within the SE $\frac{1}{4}$  SW $\frac{1}{4}$  of Section 10, Township 39 South, Range 3 West, W.M.

To a point to be located 300 feet North and 1180 feet West from the South quarter-corner of Section 10, being within the SE $\frac{1}{4}$  SW $\frac{1}{4}$  of Section 10, Township 39 South, Range 3 West, W.M.

for the irrigation of 5.6 acres in SE $\frac{1}{4}$  SW $\frac{1}{4}$ , Section 10, Township 39 South, Range 3 West, W.M., with a date of priority of December 16, 1953, is approved.

It is FURTHER ORDERED that the construction work shall be completed and the change in point of diversion of water made on or before October 1, 1976.

It is FURTHER ORDERED that the quantity of water diverted at the new point of diversion shall not exceed the quantity of water available at the old point of diversion, and shall not exceed 0.07 cubic foot per second.

It is FURTHER ORDERED that the following provisions shall be effective when in the judgement of the watermaster it becomes necessary to install head-gates and measuring devices.

That the diversion works shall include an in line flow meter, a weir, or other suitable device for measuring the water to which the applicant is entitled.

That the type and plans of the measuring device be approved by the watermaster before the beginning of construction work and that the weir or measuring device be installed under the general supervision of said watermaster.

It is FURTHER ORDERED that the certificate of water right heretofore issued to F. C. Preston, Jr., and recorded at Page 40384, Volume 32, State Record of Water Right Certificates, is canceled, and in lieu thereof a new certificate be issued covering the balance of the right not involved in this proceeding, and upon receipt of proof satisfactory to the Water Resources Director of completion of the authorized change in point of diversion, a certificate of water right shall be issued to Winifred P. Walsh confirming the change in point of diversion.

Dated at Salem, Oregon, this 22nd day of December, 1975.
