IRRIGATION					
Twp	Rng	Mer	Sec	Q-Q	Acres

- Notice of the application for temporary transfer was published pursuant to ORS 540.520 and OAR 690-380-4000. No comments were filed in response to the notice.

- A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right are present.
- The proposed change would not result in enlargement of the right.
- The proposed change would not result in injury to other water rights.

Conclusions of Law

The temporary change in place of use proposed in Temporary Transfer Application T-11230 is consistent with the requirements of ORS 540.523 and OAR 690-380-8000.

Now, therefore, it is ORDERED:

1. The temporary change in place of use proposed in Temporary Transfer Application T-11230 is approved.
2. The former place of use **shall not** be irrigated as part of this water right during the 2012, 2013, 2014, 2015, and 2016 irrigation seasons.
3. The use shall revert to the authorized place of use at the end of the 2016 irrigation season.
4. The approval of this temporary transfer may be revoked or modified if the Department finds the change causes injury to any existing water right.
5. A subsequent application for permanent transfer of Certificate 80684 shall be subject to a full and complete review to determine consistency with the requirements of OAR Chapter 690, Division 380. Approval of this temporary transfer does not establish a precedent for approval of a subsequent application filed for a permanent transfer.
6. The use of water at the temporary place of use authorized by this transfer shall be in accordance with the terms and conditions of Certificate 80684.
7. The time during which water is used under this approved temporary transfer does not apply toward a finding of forfeiture under ORS 540.610.
8. The use of the remaining water right described by Certificate 80684 shall continue to be in accordance with the terms and conditions of Certificate 80684.
