PERMIT NO. 32488 IN THE NAME OF )  
CITY OF CARLTON )

O R D E R

The City of Carlton is the holder of permit No. 32488 to appropriate not to exceed 2.0 cubic feet per second of water from Fall Creek for municipal purposes.

The City has advised the State Engineer that the appropriation has not been made as described in the permit, but it is its desire to preserve the right for this development.

The City has further advised that they have been unable to complete the acquisition of right of way and property for installation of the pipeline and pumping station.

It is believed that it will be consistent with the public interest to grant said extension.

NOW, THEREFORE, it hereby is ORDERED that the time limits to begin and complete construction under permit No. 32488 be extended to October 1, 1970.

Dated at Salem, Oregon, this 25<sup>th</sup> day of September, 1969.
