O R D E R

EXTENDING TIME LIMITS

The City of Gladstone is the holder of Permit No. 20145 to appropriate 4.0 second-feet of water from the Clackamas River for municipal use, and

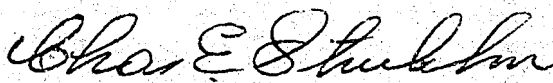

The city has advised the State Engineer that the appropriation described in this permit has not been made, but it is its desire to preserve the right for this development.

The city has further advised that considerable money has been expended and investigations are still being made in order to determine the most feasible and economical means of developing the water supply. To date, there have been no protests received against the granting of an extension of time in which to begin construction and complete the project.

It is believed that it will be consistent with the public interest to grant the extension applied for and,

IT IS THEREFORE HEREBY ORDERED that the time limits for the beginning of construction, the completion of construction, and the complete application of water under this permit be and the same are hereby extended to October 1, 1955 and October 1, 1956 respectively.

Dated at Salem, Oregon, this 29th day of October, 1953.
