Mr. V. Kent Searles, Watermaster, has filed a statement to the effect that the proposed change in point of diversion may be made without injury to existing rights.

It is FURTHER ORDERED that NO time need be fixed for completion as the change in point of diversion is completed.

It is FURTHER ORDERED that the certificates recorded at pages 4748, 4744, and 4602, Volume 5, State Record of Water Right Certificates, be canceled; and in lieu thereof new certificates be issued covering the balance of the rights NOT involved in this proceeding; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, confirming certificates of water right shall be issued to the applicants herein.
