On January 9, 1981, an application was filed in the office of the Water Resources Director by Theodore R. McNeely for approval of a change in place of use of water from an unnamed spring, pursuant to the provisions of ORS 540.510 to 540.530.

The certificate recorded at page 35423, Volume 27, State Record of Water Right Certificates, in the name of Donald T. Crockett, describes a right which includes the use of not to exceed 0.005 cubic foot per second from an unnamed spring for domestic use for one family in NW 1/4 NW 1/4, Section 30, Township 28 South, Range 12 West, WM, with a date of priority of January 20, 1964.

Water for the said right is diverted from a point located 510 feet North and 680 feet East from the South Quarter Corner of Section 19, being within the SW 1/4 SE 1/4 of Section 19, Township 28 South, Range 12 West, WM.

The applicant herein, owner of the lands above described, proposes to sever the right therefrom, and without loss of priority to use said water right for domestic purposes for one family in NW 1/4 SE 1/4, Section 19, Township 28 South, Range 12 West, WM.

M. John Youngquist, Watermaster, has filed a statement to the effect that the proposed change in place of use may be made without injury to existing rights.

No objections having been filed and it appearing that the proposed change in place of use may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use, as described herein, without loss of priority, is approved.

It is FURTHER ORDERED that NO time need be fixed for completion as the change in place of use is completed.

It is FURTHER ORDERED that the certificate recorded at page 35423, Volume 27, State Record of Water Right Certificates, is canceled; and in lieu thereof a new certificate be issued covering the balance of the right NOT involved in this proceeding; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the applicant herein.

Dated at Salem, Oregon this 18th day of February, 1981.
