

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

MARION COUNTY

IN THE MATTER OF THE REQUEST BY)
EUGENE L. ROSE FOR APPROVAL OF) ORDER
DIMINUTION OF A GROUND WATER)
REGISTRATION)

On June 11, 1990, a request was received in the office of the Water Resources Director from Eugene L. Rose, the owner of certain land and the ground water registration appurtenant to it, for approval of a change from primary irrigation to supplemental irrigation from the waters of a well.

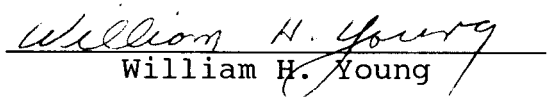

Certificate of Registration GR-1147, State Record of Ground Water Registration REcords, issued to Laura M. Thomas, describes a claim to the use of 200 gallons per minute from a well with a tentative priority date of June, 1952, for the irrigation of:

SE 1/4 SW 1/4 12.0 ACRES
SECTION 5
TOWNSHIP 10 SOUTH, RANGE 2 WEST, W.M.

It appears that the proposed diminution of water right may be made without injury to existing water rights. Therefore, the request should be approved.

NOW, THEREFORE, it is hereby ORDERED that the proposed change from primary to supplemental irrigation is approved without loss of priority.

WITNESS the signature of the Water Resources Director, affixed July 18, 1990.

William H. Young
