

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

KLAMATH COUNTY

ORDER REJECTING TRANSFER APPLICATIONS 7113 AND 7114

Transfer Applications 7113 and 7114, in the name of Energy Storage Partners, were filed March 23, 1994. The transfer applications proposed the change in use, place of use, and point of appropriation for water rights using, among others, the well owned by James C. Liston.

Mr. Liston has written to the Department stating, in effect, that he has not approved the transfer of any water right appurtenant to his land for this project.

Since the applicants are not the landowners, and the landowner has refused to approve the transfer of the water rights, the transfer applications should be rejected.

Transfer Applications 7113 and 7114, in the name of Energy Storage Partners, are REJECTED and of no further force or effect. Any unearned fees will be refunded.
