

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON
DESCHUTES COUNTY

IN THE MATTER OF THE APPLICATION OF) ORDER AMENDING
MARIAN A. ALLEN (COOK) (TUMALO) ORDER APPROVING
IRRIGATION DISTRICT) FOR APPROVAL) TRANSFER 3872
OF A CHANGE IN PLACE OF USE OF WATER)

The order of the Water Resources Director entered September 25, 1981 at pages 236 and 237, Volume 35, Special Order Record, authorized a change in place of use of a portion of the right described by Water Right Certificate 26050, from Tumalo Creek, et al, to irrigation of 0.4 acre in NW 1/4 NE 1/4, Section 19, Township 17 South, Range 12 East, WM.

The place of use authorized thereunder is located adjacent to Bend Canal of Tumalo Irrigation District. Water distributed through said canal is diverted from Deschutes River. Aforesaid lands cannot be irrigated from Tumalo Creek.

The Board of Directors of Tumalo Irrigation District has petitioned the Water Resources Director to amend the order approving Transfer 3872 to place the 0.4 acre of water right upon land that can be irrigated from Tumalo Creek.

It appearing that the proposed change will allow use of water from the authorized source, the petition should be approved.

NOW, THEREFORE, it hereby is ORDERED that the order approving Transfer 3872 be amended to delete 0.4 acre from NW 1/4 NE 1/4 (Tax Lot 300) Section 19, Township 17 South, Range 12 East, WM, and to place said 0.4 acre in SE 1/4 SE 1/4 (Tax Lot 2400), Section 19, Township 16 South, Range 12 East, WM, (C-5).

Dated at Salem, Oregon, this 17th day of September, 1985.

William H. Young
