The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in the certificates. Therefore, These changes to an existing district water right may be made subject to the following conditions:

1. The proposed change shall be completed on or before October 1, 1999.
2. The former place of use shall no longer be irrigated as a part of this water right.
3. Proof, to the satisfaction of the Director, that the changes approved by this order have been completed must be submitted by NORTH UNIT IRRIGATION DISTRICT, on or before October 1, 2000.

Furthermore,

4. Except as modified herein, all other conditions and restrictions of Certificates 72279, 72281, and 72283 remain in effect.
5. When the Director determines that it is necessary, or to facilitate records keeping, new certificates will be issued to confirm all completed changes for which satisfactory proof has been made and to confirm that portion of the right not modified by this or any other order.

WITNESS the signature of the Water Resources Director, affixed 3/4/99.
