Findings of Fact

1. On April 24, 2007, the DRC, SID and Wayne Hall filed an application to lease a portion of Certificate 74145 for instream use.

3. The final order contained a condition allowing the Lessor to terminate the lease in any year of the lease, with notification to the Department by March 1, and before any use has occurred on the property.
4. On February 25, 2010, the Department received a request from the Lessors and Lessee to terminate the lease prior to the 2010 irrigation season.
5. The lease was exercised during the 2007, 2008, and 2009 water use periods ending on October 31, 2009.

A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.
