

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

MARION COUNTY

ORDER GRANTING EXTENSIONS OF TIME FOR COMPLETING TRANSFERS

The holders of the following water right transfers approved by the Water Resources Director have submitted applications for extensions of time limits to complete the changes under their respective transfers.

The Water Resources Director is authorized under the provisions of OAR 690-15-100 to grant extensions of time, for reasonable diligence shown, within which to complete the changes under a transfer.

The statements in the applications for extension filed regarding completion of the changes indicate that each has shown such reasonable diligence as entitles them to an extension of time.

It is ORDERED that extensions of time within which to complete the approved changes are granted as follows:
