5. Notice of the application for transfer was published on October 19, 2010, pursuant to OAR 690-380-4000. No comments were filed in response to the notice.
6. On November 23, 2010, the department mailed a copy of the draft Preliminary Determination proposing to approve Transfer Application T-11145 to the applicants. The draft Preliminary Determination cover letter set forth a deadline of December 23, 2010, for the applicants to respond. The applicants requested that the Department proceed with issuance of a Preliminary Determination and provided the necessary information to demonstrate that the applicants are authorized to pursue the transfer.
7. On December 13, 2011, the Department issued a Preliminary Determination proposing to approve Transfer Application T-11145 and mailed a copy to the applicants. Additionally, notice of the Preliminary Determination for the transfer application was published on the Department's weekly notice on December 14, 2010 pursuant to ORS 540.520 and OAR 690-380-4020. No protests were filed in response to the notice.

Transfer Review Criteria (OAR 690-380-4010)

8. Water has been used within the last five years according to the terms and conditions of the right. There is no information in the record that would demonstrate that the right is subject to forfeiture under ORS 540.610.
9. A pump, pipeline, and sprinkler system sufficient to use the full amount of water allowed under the existing right were present within the five-year period prior to submittal of Transfer Application T-11145.
10. The proposed change would not result in enlargement of the right.

11. The proposed change would not result in injury to other water rights.

Conclusions of Law

The change in place of use proposed in Transfer Application T-11145 is consistent with the requirements of ORS 537.705 and 540.505 to 540.580 and OAR 690-380-5000.

Now, therefore, it is ORDERED:

1. The change in place of use proposed in Transfer Application T-11145 is approved.
2. The right to the use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificate 52785 and any related decree.
3. Water right certificate 52785 is cancelled. A new certificate will be issued describing that portion of the right not affected by this transfer.
4. Water use measurement conditions:
 - a. Before water use may begin under this order, the water user shall install a totalizing flow meter, or, with prior approval of the Director, another suitable measuring device, at each point of appropriation.
 - b. The water user shall maintain the meter or measuring device in good working order.
 - c. The water user shall allow the Watermaster access to the meter or measuring device; provided however, where the meter or measuring device are located within a private structure, the Watermaster shall request access upon reasonable notice.
5. The former place of use of the transferred right shall no longer receive water under the right.
6. The approved change shall be completed and full beneficial use of the water shall be made on or before **October 1, 2012**. A Claim of Beneficial Use prepared by a Certified Water Right Examiner shall be submitted by the applicant to the Department within one year after the deadline for completion of the change and full beneficial use of the water.
7. When satisfactory proof of the completed change is received, a new certificate confirming the right transferred will be issued.
