

BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

JACKSON COUNTY

IN THE MATTER OF THE APPROVAL )  
OF WATER RIGHT TRANSFERS 5125 )  
5140, 5214 and 5248 )  
-----

ORDER  
CANCELING CERTIFICATE

The certificate recorded at page 32780, Volume 24, State Record of Water Right Certificates, in the name of Bud Oden, describes a right for the use of not to exceed 0.19 cubic foot per second of water from Evans Creek for irrigation of 11.1 acres in Lot 2 (NE 1/4 SW 1/4, SE 1/4 SW 1/4), Section 15, Township 35 South, Range 4 West, WM, with a date of priority of 1902.

On December 27, 1982, the order approving Transfer 5125 authorized the removal of 2.1 acres of said water right from NE 1/4 SW 1/4.

On January 6, 1983, the order approving Transfer 5140 authorized the removal of 3.2 acres from NE 1/4 SW 1/4.

On March 10, 1983, the order approving Transfer 5214 authorized the removal of 0.9 acre from NE 1/4 SW 1/4 and 2.5 acres from SE 1/4 SW 1/4.

On May 27, 1983, the order approving Transfer 5248 authorized the removal of 2.4 acres from NE 1/4 SW 1/4.

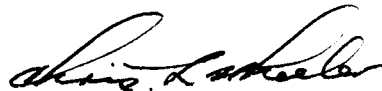

After Transfer 5248 was authorized the amount of water right removed by the transfers was subtracted from the original right. However, the 2.5 acres noted in Transfer 5214 in SE 1/4 SW 1/4 was not subtracted, leaving an apparent balance of 2.5 acres.

The certificate recorded at page 51585, Volume 46, State Record of Water Right Certificates was issued to describe the apparent balance.

There being no right remaining at the original place of use, Certificate 51585 should be canceled.

NOW, THEREFORE, it hereby is ORDERED that the certificate recorded at page 51585, Volume 46, State Record of Water Right Certificates, is canceled.

Dated at Salem, Oregon this 19th day of July, 1983.

CHRIS L. WHEELER  
Deputy Director
