Authority

Oregon Administrative Rules (OAR) 690-018-0050(4) establishes the criteria for an allocation of conserved water application.

OAR 690-018-0050(4)(i) specifies the Department shall determine the periods to be allowed for the applicants to file a notice of completion of the conservation measures and to request the allocation be finalized. The time allowed between filing the notice of completion of the conservation measures and requesting the allocation be finalized shall not exceed five years.

Findings of Fact

- On November 9, 2023, the agent for Three Sisters Irrigation District, filed a request for an extension of time to complete and finalize the conservation project described in Allocation of Conserved Water Application CW-137.
- 2. On October 12, 2023, the Department issued Special Order Volume 129, Pages 168-199, approving Allocation of Conserved Water Application CW-137. The Order required the Applicant to submit a Notice of Completion and Request for Finalization by November 1, 2023.

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

3. The Applicant has requested that the time for completion and finalization of the project approved by Allocation of Conserved Water Application CW-137 be extended until April 15, 2024.

Conclusions of Law

The Department has determined that the Applicant has shown reasonable diligence to complete and finalize the conservation project within the time period established by the Order Approving Allocation of Conserved Water CW-137.

Now, therefore, it is ORDERED:

The deadline for submitting the Notice of Completion and Request for Finalization shall be extended to April 15, 2024.
