**Authority**

OAR 690-385-7600 describes the process for the Water Resources Department to issue a water right certificate upon determination that an applicant has made satisfactory proof of completion of the changes authorized by a final order approving a district permanent transfer.

**Applicant**

Central Oregon Irrigation District  
1055 SW Lake Court  
Redmond, OR 97756

**Findings of Fact**

1. On May 12, 2005, the Department issued a final order, recorded in Special Order Volume 64, Pages 419 - 421, approving district permanent transfer application T-9314. The order established October 1, 2006, as the date for completion of the authorized change in place of use.
2. On August 25, 2008, the Department received a claim of beneficial use for T-9314.
3. The Department reviewed the claim of beneficial use and final proof maps submitted by the applicant for district permanent transfer T-9314.
4. The claim of beneficial use did not contain map(s) of the point(s) of diversion from the source. However, since these changes are for place of use only within an irrigation district, and do not involve changes in point of diversion, the existing map(s) on file with the Department are sufficient to identify the point(s) of diversion from the source.
5. The claim of beneficial use for T-9314 indicates that the tax lot for the land in T17S-R12E Section 14, SW NW, Tax Lot 800, has been split and assigned a new number. The tax lot affected by this change is now Tax Lot 801.
6. The claim of beneficial use and final proof map for T-9314 identifies the completed change differently from that authorized by the final order approving the transfer

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

7. The reconfigured change in location of use as mapped is determined satisfactory because the completed use is contiguous and on adjacent land within the same tax lot and ownership.
8. Satisfactory proof of the changes was submitted with evidence showing that water was used in the location and for the purpose as authorized by the final order approving T-9314.

**Conclusions of Law**

Pursuant to OAR 690-385-7600, the Department may issue a certificate upon a determination that the application of water to beneficial use under the terms of the final order approving a permanent district transfer was completed to the extent authorized.

**Now, therefore, it is ORDERED:**
